

A big part of engaging in our programs is actually getting to the programs! You are of course welcome to provide your own transportation, but we know this may not work for every family situation. Here are a few door-to-door transportation options to get here safely.

LOUDOUN VOLUNTEER CAREGIVERS

Loudoun Volunteer Caregivers (LVC) volunteers provide no-cost transportation to/from Reconnections Sterling. Primarily serves Loudoun County but may travel outside of the county depending on driver availability. If outside of Loudoun County, visit nvrides.org to be connected with the volunteer driver program in your neighborhood.

UBER

Rides can be requested through the Uber app or website. Rates vary based on location, timing, and car type. There is an Uber Reserve option that allows you to choose your exact pickup time up to 30 days in advance, cancel at no charge up to 60 minutes in advance, allows up to 15 minutes of wait time, and may allow you to choose your favorite driver.
